In the event that a mistake does occur, there can be no reimbursement of your payment due to the fact that your funds actually help in paying for the yearbook itself.*
- PARENT PROOFING SERVICE: Due to the fact that the yearbook is a student publication, mistakes can appear even though great strides are taken to prevent them. As an extra precaution, we can design your ad and send it to you via email so that you can edit it for mistakes (not design) before it goes to print. If you do not order the proofing service, your ad will go to print and will not be sent to you for prior approval. *There will be no refunds due to student error if you do not order the proofing service*. If you would like to order this service, be sure to mark it on the order form. There is an additional $15.00 charge for this service.
